

## STUDY ROOMS

The study rooms belong to the three Departments of the Interdepartmental Liaison Structure "Faculty of Medicine", located at the "Policlinic Gaetano Martino" University Hospital: "Biomedical and Dental Sciences and Morpho-functional Images", "Adult and Adolescent Human Pathology - Gaetano Barresi" and "Clinical and Experimental Medicine". In addition, renovation work is being carried out to create and modernise the University Polyclinic Pavilions as well as a new University Residence located opposite the AOU entrance.
