*Student Oath*

*I make this pledge to myself, my classmates and future colleagues, and the individuals and communities I will serve.*

*I take this oath with great gratitude to all those who are supporting me along the way and that are allowing me to succeed.*

*In accepting this white coat, I will carry myself with humility, integrity, and empathy.*

*I will not permit considerations of age, disease or disability, creed, ethnic origin, gender, nationality, political affiliation, race, sexual orientation, social standing or any other factor to intervene between my duty and my patients.*

*To empower my patients, I pledge to recognize that behind every illness is a human story, including a cast of loved ones and a landscape of unique cultural values.*

*Celebrating this diversity, I will place ethics and equity at the core of each patient interaction.*

*To foster a community of collaboration among our peers and faculty, in which I can mutually grow and achieve my unique goals.*

*I will seek opportunities to give and receive mentorship while challenging myself to honestly and openly share my vulnerabilities.*

*To fully dedicate myself to my profession, I pledge to practice selfcare.*

*Through self-forgiveness and self-reflection, I will cultivate resilience, pursue lifelong learning, and allow my experiences to transform me.*

*I promise to respect, regardless of identity or socioeconomic status, the fundamental dignity of all patients, colleagues, and community members, and their right to quality care.*

*I will strive to advance medicine and my ability to treat disease by expanding my knowledge through ethical study and inquiry.*

*I acknowledge and embrace the diversity that exists within all communities, and the formative influence that the UniME-International Medical School community will have on my future as a physician.*

*In accepting this white coat, I embrace my responsibilities as international medical student in partnership with patients and the people by my sides.*
